WILL WILMINGTON WEAR CHRISTMAS DRESS THIS YEAR? NOT UNLESS OFFICIALS SEE THE LIGHT IN TIME

It is at this moment doubtful whether Wilmington Square will don Christmas dress this year. It would seem that a good deal of stubbornness has entered into a controversy over the question "to light or not to light?"

Nearly one thousand dollars of Christmas lighting equipment will stand idle this year unless something is done now. During the past years many individuals have made donations toward the illumination of Wilmington Square for the Christmas season. Through these donations, the town now has in its possession the equipment necessary to place Wilmington on the same level with any surrounding community. Why does it appear that these lights will remain in the barrels? Why will the barrels stand untouched in the basement of the Church Street Hardware Store?

The reasons from both sides: There has been no committee for lighting named this year, but we contacted a member of last years

Larceny On Woburn St.

A Woburn St. resident reported to police on November 26, at approximately 10:00 a.m. that two sheets and two pillow cases had been stolen from her clothes line sometime during the night before. The complaint was made to Officer Kelley who is investigating the incident.

Larceny At Tunney's

At 9:00 p.m. on November 25, a member of Tunney's firm reported to police that someone had spirited away two "hi-fi" sets having a collective value of over \$300.00. Employees of the furniture store reported to Officer Dolan that the sets had been taken from the positions in which they were displayed and must have been carried out the front door. Police are still investigating.

Two officials of the Boston Edison Co., meeting with Wilmington's Selectmen Monday evening, found that the town officials were not at all receptive to their proposed plan to string high-tension wires across the town, while building the sub-station in North Woburn.

The Edison representatives, Joseph A. Pellegrini, district manager of the Northern Division, and Thomas Hughes, head of the Survey, Layout and Transmission

Wilmington Buries Tewksbury 21 - 14

by Philip Tupper

On Thanksgiving Day, Wilmington Wildcats defeated Tewksbury High School 21-14 at Tewksbury. Tewksbury won the flip of the coin so they decided to receive. Wilmington kicked off and after Tewksbury ran a few plays they fumbled. Wilmington recovered the ball in Tewksbury territory. On the first play, Wilmington's star halfback, Billy Rooney, took the ball around the end for a long run, to bring the ball to about the three yard line. On the second play George Munroe, Wilmington's quarterback, took the ball himself around the end for the touchdown. Warren McFeeters kicked the extra point to make it 7-0 Wilmington's favor.

Wilmington kicked off, and again after a few plays Tewksbury fumbled and Wilmington took over. After a few plays Rooney took it around end for Wilmington's second touchdown and McFeeters again kicked the extra point to make it 14-0 Wilmington's favor. Wilmington kicked off and Tewksbury took the ball up the field for their first touchdown. They rushed for the point after and got it to make the score 14-7 Wilmington's favor.

Then Tewksbury kicked off and George Munroe, Wilmington's quarterback, took the kick on about his ten yard line and made a spectacular run all the way for the touchdown, Wilmington's final one. McFeeters kicked his third point after to make the score 21-7 Wilmington's favor at the end of the half.

In the second half Tewksbury kicked off and Wilmington got the ball, but couldn't do anything, so they kicked and for a while the game was just a see-saw affair, with neither team scoring. Then Tewksbury got a break and scored its final touchdown to make it

21-14 as Tewksbury got its extra point and that's the way it ended, the final score being 21-14 Wilmington winning. This is Wilmington's fifth win of the season and its record is 5-3 for the season, a very successful season for Wilmington High's boys.

The winner of the trophy awarded to the outstanding Wilmington player of the Wilmington-Tewksbury game, was quarterback Geo. Munroe, who was outstanding both on offense and defense. He also won the chicken dinner, given by Parker's Restaurant. Wilmington wound up the season with a fine 5-3 record.

Accident On Main St.

At 9:25 a.m. on Thanksgiving Day, an accident involving three automobiles on Main St. Driver of the first vehicle was Eugene Dugan of St. Paul St. Car number two was being operated by Arlington Marr Jr. of Manning St., and the third was operated by Donald Farnham of Wildwood St.

The report given stated that the driver of the first car stopped without warning causing the second vehicle to strike the rear of it. The third vehicle, unable to stop in time struck the rear of the second. All three operators escaped without injury. Slight damage was done to each of the cars.

Sgt. Shepherd investigated the accident.

Burglary On Main St.

Sometime before 11:00 p.m. on Sunday evening, a burglary in a home on Main St.

Eva Elftman reported to police that her home had been entered, ransacked and that a valuable women's watch had been taken. Entrance was gained, it was determined through a forced rear door.

Sgt. Shepherd and Officer Kelley are still investigating the incident.

Paul Gray At Children's Hospital

Paul Gray, 7 year old son of Joseph and Amanda Gray of Eames St., was taken to Children's Hospital, Monday evening, suffering from pneumonia.

New Buick Special for 1958

THE BOLD LINES OF BUICK'S 1958 styling are exemplified in the luxury and beauty of the Buick Special, the big volume seller in the Buick line. Dual headlights and a dazzling new grille add breadth and lowness to the front end design. The Special, which is mounted on a 122-inch wheelbase, boasts new and bigger brakes, and exquisite new interiors that complement the glamorous exterior colors. The new miracle air ride and either variable pitch or the revolutionary flight pitch Dynaflo are optional equipment on the Special series which comes in seven models.

VOLUME SELLER for 1958 will be the Pontiac Chieftain series, shown here in the slim pillar, four-door sedan model, which gives the appearance of hardtop styling. New in 1958, and heading the list in this series, is the distinctive Chieftain convertible. Other Chieftains are the two and four-door Catalinas, a two-door slim pillar sedan and two, four-door Safaris; a two-seater and a three-seater. With a 122-inch wheelbase, the Chieftain remains the "big car" with the "little price."

There was a very popular song going around a number of years ago. "The Best Things In Life Are Free." The song is right, but it turns out that the "Best" that is referred to is the sunshine, etc.... Other than the things that GOD provides, and which we take for granted, have you ever got anything that's free, that didn't have a string attached?

In our business companies try to take advantage of people's gullibility by offering "FREE SERVICE". The labor is free but watch out for the cost of parts, and there always will be parts necessary on each service call, because no one in business can give things away, and stay in business very long.

If you buy an insurance policy on your life or a health and accident policy you don't expect the insurance company to give it to you. If they did when the time came for you to collect, probably the company would be out of business.

Our Perpetual Comfort Guarantee for \$27.50 per year is like an insurance policy on your oil burner and all (and I mean ALL) of its accretments, motor, transformer, thermostat, relays, aquastats, oil tank, combustion chamber, wiring, and piping as well as any and ALL service labor, and a yearly overhaul.

Like insurance, it is figured to the absolute minimum, for instance,

The average burner requires 3 service calls per year @ \$4.95 equals	14.85
Overhaul	10.00
Average of parts per year	9.76
Total	\$34.61

It's a good deal and best of all it's there when you need it, Peace of Mind, like the Accident and Health Policy.

Call us at Reading 2-3290 and we'll be glad to give you more details.

Best Regards,
Paul Rimbach

Funeral Services For Bertha Allen

Mrs. Bertha Allen of Pringle St., So. Tewksbury passed away on Sunday, December 1. She had been a resident of So. Tewksbury for the past 25 years. She was the wife of Bert E. Allen.

Mrs. Allen was the mother of Mrs. Betty Wendell of Wilmington; Mrs. Barbara Morris of California; Mrs. Dorothy March of So. Tewksbury; Robert E. Allen, of Wilmington; and Richard, Paul and William Allen all of Tewksbury. She had 22 grandchildren and 3 great-grandchildren.

She is also survived by: her sister, Mrs. Elizabeth Tattersall, of Wilmington; Mrs. Margaret Hourihan, of Wilmington; Mrs. Christine Riley, of Wilmington; Mrs. Ruth Walsh of Malden and Mrs. Josephine Cranley of Florida. She is also survived by her brother Allen J. Riley of Wilmington.

Funeral services were held from the W.S. Cavanaugh and Son Funeral Home, 374 Main St., on Wednesday, December 4, at 8:15 a.m. Solemn High Mass, of Requiem was celebrated at St. Dorothy's Church, Vernon St., So. Tewksbury, at 9:00 a.m.

Burial was in the family lot at Wildwood Cemetery. Funeral arrangements were under the direction of William S. Cavanaugh and Son Funeral Home.

The National Lumber Manufacturer's Association points out that for every dollar saved in school construction costs, an additional 35 cents is saved in interest charges over a 15-year period. Modern wood schools stretch the school tax dollar, the association says.

Shawsheen Bridge Still Up In Air

The Shawsheen Ave. bridge is, at this writing, still up in the air; battered, but not beaten.

The decision regarding the repair of the bridge, which suffered the indignity of giving way under an empty truck last Tuesday, is however, very much up in the air.

The bridge, as all railroad bridges in town, is under the direct supervision of the Boston and Maine RR. The approaches to the bridge are the responsibility of the Town.

The RR reports that it is not ready to repair the bridge. No word has been had from the state, (it is a numbered route).

Motorists continue to be re-routed around to Bridge Lane, which as may have been guessed, also travels over a RR bridge.

If the bridge on Bridge Lane weakens under the added load, before the decision of who will repair the bridge - and when - is made, which bridge will be next? Will we run out of bridges? Turn in next week for the newest installment in "The Railroad, Friend or Foe?"

SEEING THE WORLD THROUGH STAMPS

Among other stamps that show waterfalls, is the beautiful set of six airmail stamps, all of the same design, issued by the Dominican Republic in 1946 and 1947. This set shows the Jimenoa Falls.

Where is the Dominican Republic? Is it a large or small country? On what river do we find Jimenoa Falls?

A map is handy, and we find the Dominican Republic is located on an island in the West Indies, not very far from United States. So, boys and girls, let's take a trip with our stamps and geography to the island in the Caribbean Sea where this small Republic is found.

The Dominican Republic, also called Hispaniola and Santo Domingo, is the land Columbus loved. Columbus visited this island on his first voyage, and several times later. Because of its mountainous terrain, it has also been called the Switzerland of the Caribbean. In the mountain range called "Cordillera Central", is the highest peak of the West Indies, Pico Trujillo, 10,300 feet high.

Not far from the great peak, the river Yaque del Norte begins. The Jimenoa Falls are located on the Jimenoa river, a small tributary to

the Yaque del Norte, near the famous mountain resort of Jarabacoa. The Yaque del Norte river continues on past Jarabacoa, Vega and Santiago and northwest through what is called the "Cibas" region, and empties into the Atlantic Ocean, about two miles from Monte Christi; total distance of about 125 miles. The Cibas region is a very fertile fruit growing valley. The land here is so fertile that wooden fence posts sometimes have to be trimmed, to prevent them from growing into trees!

The beautiful Jimenoa Falls have an interesting legend attached to them. It is said that about 1800, a wealthy Spaniard, living near here, was once ill-treating some slaves, when a priest or monk passed by and upbraided him. This angered the Spaniard, and he knocked the priest into the falls where he was killed. Soon after this, the Spaniard's wife took sick and died. Believing this to be a punishment or vengeance on him for his crime, the man decided to leave at once. So he and his only son, a small baby, whom he dearly loved, mounted a horse and started. But their road led by the falls. As they fled, the noise of the falls frightened the horse so he got out of con-

trol, and finally lost his balance and fell, horse, man and baby into the falls where all were killed. To this day, natives claim that at times you can hear the shriek of a man, the cry of the baby and the terrified neighing of the horse, through the thunder of the falls.

The story cannot be proved today, however, because in recent years, modern engineering has harnessed the power of the Jimenoa Falls to run a hydro-electric plant for the benefit of the surrounding area, and the once great falls have been reduced to a trickle.

The importance of the Jimenoa Falls to the small nation is more than enough reason for them to have been selected as the design for a set of stamps, and the Falls appear on the stamps as they originally looked.

This country has an area of over 19,000 sq. miles. The capital is Ciudad Trujillo, part of which is ultra-modern in style and construction. The ruler of Dominican Republic is General Raphael Trujillo, a dictator-like man who has brought in

American ideas, money and personnel, and has built up his country to an amazing degree.

The people are mixed, white, native and negroid, the language is Spanish. Racial tolerance is the way of life in this country. No pre-

judice is held against anyone because of his background.

The president, General Trujillo, has a lovely home near Jarabacoa and the Jimenoa Falls.

Another stamp journey next week.

Gift For A Boy

TOP GIFT IN WOOL SWEATERS for high school boys this Christmas is the bulky knit wool pull-over. The eye-catching red and black cable design running down sleeves stands out against white. This color combo rates high with the prep crowd. By Puritan Sportswear.

SANTA SUGGESTS TWO GIFT IDEAS—First, standouts in wool mufflers are paisley and striped patterns. Being wool, they're extra soft at chin and neck and protect the wearer from wintry winds. From Handcraft, Inc. Drivers will appreciate the second suggestion—wool knit gloves to provide protection when the steering wheel is cold to touch. All wool knit glove, at left, is dressy enough for town. Suburbanites favor a glove with wool knit back and leather palm, at right. From Sanville Gloves.

ROTARY NEWS

The weekly meeting of the rotary club was held last Wednesday, at noon, at the Masonic Hall, with president John Gleason presiding.

After the opening ceremonies, the president called upon Rev. Stanley Cummings to offer the invocation. After the luncheon, the president called upon Adrian Durkee, to introduce the visiting rotarians. Those introduced were: from Stoneham, Walter Johnson, from Reading, Ted Knudson, from Woburn, Alfred Mathews and Joe Caviechi. Fred Cain introduced his guest, Police chief Paul Lynch, Ed Osberg introduced George Mann, and Joe Flannery, and Mark Bab-

bitt was introduced by Joe Babbitt.

The president introduced Rotaryann, Louise Cummings, as a guest of the club. Mrs. Cummings spoke to the club in regards to Christmas Seals sales. Mrs. Cummings told the group that it was very important that these seals be purchased, as the need for money is just as great now as it has ever been. Her talk was well presented, and certainly left its impression on the members.

Members of the Wilmington club who have attended the Belmont Mass clubs, stated that they have received a most cordial reception from that club. A letter was received from Mrs. John Clarke, leader of the 4-H Vigilante Horse Club of Wilmington, thanking the club for our gift of \$25.00.

The program was turned over to Fred F. Cain, who introduced Sgt. George Luciano of the Headquarters staff of the State Police. He told of the make up of this organization, and the training of new recruits. He showed a film on the Police school, showing the training that one must go through to become a state police officer. His talk and film were well received by the club.

BEAUTY SPOT

One of the most photographed scenic views in the nation is the winding Connecticut River taken from the summit of Mount Sugarloaf Reservation in South Deerfield, Massachusetts. It is reported by the Massachusetts Department of Commerce.

THE LIONS' ROAR

A week ago Saturday night, the members of the Wilmington Lion's Club journeyed to Stoneham Town Hall for a six club zone social night. This was the first attempt of this kind of affair by the new zone chairman, he and his committee deserve a vote of thanks from all for a real wonderful evening. The other clubs were also very well represented and dancing was enjoyed to the music of Jack Hennessy and his band, who is well known to the followers of our own Lions Club Ball held in Andover every year. A catered buffet was served, and all in all, a pleasant evening was enjoyed by all. Our ladies were presented a gift of a lapel button type with the Lions insignia on it.

I imagine some of the faces of the Tail Twisters of the other clubs were inclined to be a trifle red come time to go home, tho. We missed a few of the local members who in turn missed a grand time.

Hats off to chairman App and the Zone committee who must have put in so much of their time to make it the success that it was.

The meeting last week was cancelled and therefore there isn't too much other news.

King Lion Cushing has asked me to announce that our Local Club has met its quota for the Eye Research program and wishes to thank you, the public for your fine co-operation in helping us to attain this goal. Our figure was set

**D. A. V. HI - LITES**

Last week's D.A.V. Drive for Retarded Children was a great success due, as usual, to the generosity of the people of Wilmington. Chapter 106 and Auxiliary members wish to thank everyone who helped us in this most worthy enterprise. Commander Simpson wishes to commend all the members who gave their time and effort on two very cold nights to make the Drive the success that it was.

Congratulations are in order for young George Munroe who captured the D.A.V. Trophy in the

Big Turkey Day Game with Tewksbury. He was easily the outstanding performer in the game. Chapter 106 tenders its congratulations to the entire Wilmington High Team for a fine game and a fine season.

Plans are under way for a Christmas Party for the members of Chapter 106 and their guests. The date has been set for Saturday evening, December 14. There will be a buffet, an orchestra for dancing, and a fine time is promised for all. There will be a charge of \$1.50 per couple to help defray expenses of the party. This promises to be one of the finest affairs of the season and we urge everyone to attend.

There will be a regular business meeting of chapter 106 this evening at 8. Commander Simpson

hopes to see some new faces at the meeting this winter. Members who merely pay their yearly dues and never attend meetings, do nothing to further the growth of the chapter, or the National Organization. The future of the DAV depends on the interest of the members in the aims and purposes as well as the ideals of the organization. All who can possibly attend meetings should do so for their own benefit. In these days of fateful decisions, we should have a united voice in the affairs of our community and our nation.

**V.F.W. Dugout Doings**

1958 dues are now payable. Are your dues paid up? If not, contact Tom O'Connors or Commander Brown. It is the hope of the post to have 100 percent enrollment by January 1, 1958.

At our last movie, Sgt. Paul Ellis treated the children to free candy bars. Sgt. Ellis is rapidly becoming the favorite of all the kiddoes down at the movie, and the club is indeed fortunate to have such a member. He will be leaving for Japan shortly, where he will spend three more years, then return back to Wilmington with his wife and family.

The next social, Saturday, Dec. 21, will feature a LaSagna Dinner, complete with antipasto, along with some music that will be provided by a trio of soldiers from Fort Devens. The Auxiliary prize will be drawn that night, along with our regular monthly drawing, plus a door prize and an award, for a matched decanter set.

It is expected that Charles Dolan

and his wife will attend, along with heavy eaters like Charles Ellis. Plan now to attend, as this will be a sort of Christmas party for all.

Sunday, December 22, our annual Christmas party for children, will take place. At least 100 children will attend, and the program will be as follows: distribution of candy, milk, cake and ice cream; entrance of Santa Claus, presenting of gifts and then a movie of cartoons. Please fill in the enclosed cards you will receive in your dues remittance envelopes, and mail back to the post immediately.

That Tom's Tydol Service is a station of extraordinary service was shown last week, when Tom Connelly came in with a problem concerning a table lamp. In no time at all, three attendants had the lamp fixed and ready. Incidentally, Tom has finally moved into his newly built house on Chestnut St. Good luck folks.

Jack Madigan has been scurrying around now, with a new project, a New Year's party. Whatever happened to the "new curtain" program, Jack?

Phil Leduc is venturing into business for himself and will be located next to Tunney's. The post joins me in wishing you, Good Luck, Phil.

Hal Foley is a guy with a forward look. The area around his "strangest store in the world" is constantly undergoing improvements. Whatever Hal has in mind, it's certain to be an asset to the town.

Idle thoughts in passing - Will Moe and Lorraine be down to our next social? - When Bill Berry is going to get his new choppers? If Al Fenton will give me a call, concerning new building committee business? - Where big Danno Sanville, the old philosopher, has been keeping himself - If some member can get some deck paint, just 3 gallons, to paint the floor? Whatever happened to that work party that was going to reupholster the chairs, down at the club? If Bob Cain's pride and joy has grown any hair yet? - And will we see them at the social? -

V.F.W. Movie Matinee

The feature picture at the next showing of movies, held at the post quarters on Main St., will be "Konga - the Wild Stallion", along with a comedy, cartoon and chapter 9 of "Perils of the Royal Mounted".

The show starts promptly at 2:00 p.m. and is over at 4:00. Admission is only 15 cents per child and the public is invited.

ST. THOMA'S NEWS

Clothing and bedding for the Bishop's clothing drive should be left in Villanova Hall no later than Thursday.

Thursday, at 7:03 p.m., all high school students are invited to participate in planning special events and to hear the guest speaker, Robert Popes of St. Lawrence parish in Brookline. Confessions will be heard at 4:00 and 7:30 p.m. in preparation for First Friday.

First Friday Masses will be at 6:00, 7:00, 7:30 and 9:00 a.m.

The Annual CDA Officers' Whist will be held at 8:15 p.m. on Friday. The proceeds will enable them to prepare Christmas baskets for our needy parishioners.

Saturday, at 10:00 a.m. religion classes will be resumed for Grades 2 through 6. Saturday is a day of fast and complete abstinence (vis. one full meal and no meat at any meal).

Next Sunday there will be a food sale after each Mass at Villanova Hall sponsored by the Junior CDA. Sunday is communion day for the men of the parish, especially the Holy Name Society at the 8:00 a.m. Mass. Their meeting will be at 7 p.m.

There will be a tribute to the Blessed Mother on her feast day by the Sodality, Holy Name Society and Inquiry Class. Monsignor Stapleton of St. John's Seminary will be the speaker. Mrs. Estelle Shelley, Mrs. Mary Woods and Mrs. Kathleen Barry are in charge of entertainment and refreshments.

MAKE IT A Merry

Gladden some childish heart for
"A LIFETIME OF MUSICAL HAPPINESS"

CHRISTMAS THRILL NEVER FORGOTTEN

DELIVERED TO YOUR HOME FOR CHRISTMAS EVE A 12 BASS NOBLE PIANO ACCORDION With an 8 week 'trial' course enrollment for children 6 to 12 years of age. Register NOW with a small down payment. Supply limited.

A REAL Musical instrument yet the cost is less than a durable toy.

THE GIFT OF MUSIC ENDURES A LIFETIME

Childhood like Christmas is here and gone before you know it. By enrolling now on a trial course you will make every Christmas in years to come A MERRY MUSICAL CHRISTMAS. Without music it wouldn't be Christmas. Holidays are HOME MUSIC TIME.

YOUNG AMERICA'S MUSIC

Piano Accordion offers visual music with keyboard experience giving a real musical foundation and simplifying playing ANY instrument.

A CHILD'S MOST FORMATIVE YEARS ARE SIX TO TEN

Learning to sight read notes, time values, key signatures, with keyboard experience—playing familiar melodies—in tune—with their hands—not just one lone note, but with full bass harmony—beginning with their very first lesson offers REAL musical experience. The Accordion we loan you is a REAL Musical instrument that can be played IN TUNE. It is NOT A TOY to soon be discarded as toys are.

MUSIC... LIKE HUNDREDS OF OTHER THINGS THAT SHAPE OUR CHILDREN'S LIVES, BEGINS IN THE HOME. Here is a program attractive to youth and one that MOTHERS CAN EASILY FOLLOW WITH THEIR CHILDREN.

Rosita Lee Teaching Methods stand on their own merits. Our students all play and progress is rapid. We teach by NOTE—INTELLIGENCE—MEMORY—EAR TRAINING. NOT by ROTE or playing by ear.

With Rosita Lee Modern Methods your child learns to play a melody the very first lesson.

PIANO ACCORDION "LITTLE SISTER of the ORGAN" The "ONE PIECE BAND" THAT GOES WITH YOU wherever and whenever music is wanted.

Will not get out of order as mechanical devices that require no lessons. Not a machine that produces mechanical musicians. Turning a dial, playing a record, or a dime in the slot music requires neither effort nor intelligence. "MAKE IT YOURSELF" Music requires both but remains a lifetime. Children grow mentally and spiritually through what they DO, not what is done for them.

ROSITA LEE PIANO ACCORDION MusicCenter Accordions and TEACHING Accordion is our ONLY business—not a sideline.

FIRST learn to PLAY. To have Accordion BUYERS we FIRST produce Accordion PLAYERS.

EXCLUSIVE DEALERS for NOBLE - Guaranteed for a lifetime Accordions. We fit the Accordion to the child. Reduced size complete 120 bass models for 6 years olds and up. "Tiniest hands can easily span the octave." Ten years ahead in design. They are beautiful whether you look or listen yet cost no more than other instruments. PAYMENT PLAN IN TUNE WITH YOUR BUDGET.

ROSITA LEE STUDIOS are located at the Rex Center. Across from the Postoffice - over the A & P - under WLLH at the Bus Stop upstairs.

STUDIO HOURS - CLOSED MONDAYS & TUESDAYS. Open WED., THURS., FRI., 3 P.M. to 8 P.M. SATURDAY 10:30 A.M. to 4 P.M. DIAL (check studio hours) GL 2-8449. Dial UL 1-7118 or MONTROSE 3-2526 anytime. Postcard P.O. Box 26, Lowell, Mass.

ST. DOROTHY'S
ANNOUNCEMENTS

Religious instruction classes will be resumed this week. The Junior high and high school children of So. Tewksbury will report

at St. Mary's at 6:45 on Thursday evening. All other children will attend classes on Saturday morning at 9:30 at the Shawheen School, St. Dorothy's Hall and St. Mary's Chapel.

Sunday is Communion Day for the Holy Name Society and all the men of the parish. Friday of this week is the First Friday of the month. Confessions will be heard at St. Mary's on Thursday evening, at 7:30. Masses on Friday are at 6:00 and 7:00 a.m.

There will be a Holy hour on Friday evening at St. Mary's for the ladies of the Sodality and the men of the parish.

On Saturday, Sunday and Monday evenings at 7:30 there will be a Triduum in honor of the Immaculate Conception at St. Mary's.

On Monday evening, the final evening, the ladies of the parish will be formerly inducted into the Blessed Virgin Sodality.

Saturday is a strict day of fast and abstinence. A day on which only one full meal may be eaten and no meat may be eaten whatsoever.

The priests of the parish are grateful to: the blitz committee for the proceeds of Tuesday evenings blitz; Mrs. James Farrell and Mrs. Nellie O'Riley for the proceeds from Fridays whist; Mrs. John Elliot and her committee for the proceeds of the recent teenage dance and all who donated clothing to the Thanksgiving clothing drive.

There will be another blitz party at the hall next Tuesday evening. However, this Friday evening, there will be no whist party because of the bazaar.

The annual parish bazaar will be held this week at St. Dorothy's

Hall on Friday, beginning at 1:00 and closing at 10:00 p.m. On Saturday the doors will open at 11:00 a.m. and remain open until 10:00 p.m. All manner of articles will be on sale with many Christmas items added. The committee has worked very hard on this project and it is hoped that each family will represent themselves at this sale.

Student altar boys will meet for instructions at St. Mary's on Monday evening, at 7:00. This Monday evening, the Novena in Honor of Our Lady of the Miraculous Medal will be held in conjunction with the Triduum service.

CARL W. NELSON
KILLED DURING COMBAT
TRAINING

Marine Private, Carl W. Nelson, 22 passed away on Saturday, Nov. 30, at Charleston, S.C. as a result of injuries suffered during routine combat training at Parris Island.

Private Nelson had been a resident of 25 Parker St., for the past 12 years. He was the son of Carl E. Nelson and Elsie (Oga) and the brother of Eugene Nelson and Phillip Nelson both of Wilmington. He is also survived by his grandmother, Eugenie B. Farmer of Miami.

Funeral services will be held at the W. S. Cavanaugh and Son Funeral Home, 374 Main St., on Friday, December 6, at 1:00 p.m. Friends may call on Wednesday and Thursday, from 2:00 to 5:00 and 7:00 to 10:00.

Interment will be in the family lot at South Cemetery, South Lynndeboro, New Hampshire. Funeral arrangements under the direction of The William S. Cavanaugh and Son Funeral Home.

GOING AWAY PARTY FOR
DENNIS ANSTY

Approximately 25 friends and relatives were on hand on Monday evening at the home of Jeanne O'Connell, of So. Tewksbury to join in the going away party held in honor of Dennis Ansty. Mr. Ansty will become a member of the Air Force this week and will report for duty at Fort Hood, Texas.

Several fine gifts were presented to the guest of honor, including a sum of money from his friends and a wrist watch from members of his family.

SAY "MERRY CHRISTMAS" with an all lamb's-wool sweater. It will keep the recipient warm all winter. The saddle shoulder is a new idea. Broad panels on each side strike a masculine note. Tuck the collar in and you have a crew neck. Wear it as shown, the sweater doubles as a shirt-sweater for casual indoor-living. By Forstmann.

A GOOD IDEA is for the entire family to chip in and buy one big Christmas gift. Much in demand is a wool tweed sports coat. Nothing wears better and longer than an all-wool sports coat because wool tailors to perfection, holds its shape and requires a minimum of care. By Curriek & Leiken.

FOR CHRISTMAS . . . all-wool hose. The pattern's in black and white against gray, and it can be worn with both gray and brown wool-worsted suits. Wool socks are good for the feet because wool absorbs perspiration quickly. By Bernhard Altmann.

RECEPTION FOR NEW
SODALITY MEMBERS

There will be a reception of new members of St. Thomas Blessed Virgin Sodality on December 8, at 6:30 p.m. at St. Thomas' Church. Following this reception there will be a speaker at Villanova Hall, Monsignor Stapleton. Refreshments will be served.

The Masses for First Friday will be as follows: 6:00, 7:00 7:30 and 9:00 a.m.

FIRE LOG

On November 26, at 11:10 a.m. a brush fire on the property of Mr. Bennett on Columbia St. Engine 4 responded. At 4:45 p.m. on the same day a dump at the rear of the Church St. Hardware Store became ignited.

On November 27, at 11:20 a.m. the ambulance was summoned to transport Mrs. A. Howley from the Winchester Hospital to her home on Forrest St. At 2:20 p.m. engine 4 responded to a brush fire on Clark St.

On Thanksgiving Day, firemen received three calls. At 12:00 noon, engine 3 and 4 went to the property of Mr. Hadley on Boutwell St. for a brush fire. Firemen fought the blaze for approximately three hours. Nearly four acres was burned. At 4:05 p.m. engine 4 responded to a call to the property of Mr. Chinn on Atlantic Ave. A brush fire. At 5:08 p.m. a vacant home on Grand St. caught fire. Extent of damage is not known at this time. Cause of the blaze is under investigation.

On November 29, at 5:20 a.m. the ambulance was summoned to take Rose DePasquale of Main St. to St. John's Hospital.

On November 30, at 4:43 p.m. the ambulance went to Ballardvale St. on a false alarm for an accident.

On December 1, engine 4 responded at 12:00 noon to the junction of Hobson Ave., and Pine St. for a service call.

TROOP 56 HAS A VISITOR

On Friday evening, November 29, the meeting was opened by George Shaw and Gary Balser with the Pledge of Allegiance and the Scout Law.

Mr. Robert Tobjiam from the Good Will Organization was on hand to show movies on the Good Will Program. After the movies, the boys had instruction period which was followed by a game.

The meeting was closed by Jim Durant with the Scout Oath.

Don't forget folks, the boys will come around asking you to fill a bag or even half fill one for the Good Will Industries.

MAMMOTH RALLY FOR DONAHUE FOR REPRESENTATIVE

A monster rally will be held at Legion Hall, Lexington St., Woburn, (Four Corners) on Friday evening, Dec. 6, in the interests of Donahue for Representative of the 18th Middlesex District.

The following persons will be in attendance and speak in the interests of Thomas F. Donahue: John Thompson, the newly appointed speaker of the House; Senator Powers, the former president of the Senate; Governor's Councilor Ray Crimmins; Senator Frederick McDermott; and the chairman of the

Democratic State Committee, John "Pat" Lynch.

There will be refreshments, entertainment and dancing. City Treasurer Michael Collins and Chairman Patrick McDonough of the Donahue committee for representative will be master of ceremonies. All workers and voters of the 18th Middlesex district are cordially invited to attend.

FIRST BAPTIST CHURCH

Gordon College Choir

It will be the First Baptist Church of Wilmington's great privilege to have the 32 voice GORDON COLLEGE CHOIR as special guests at our evening service NEXT SUNDAY, Dec. 8, at 7:30, at Grange Hall. It was previously announced in the newspaper that the Concert would be held at Wilmington High School auditorium, but this has been changed.

This very excellent choir is constantly in great demand and it is hoped that all the members and friends of the church will plan to attend. The program will be a most fitting and beautiful introduction to this Christmas Season.

Norman E. Clayton will direct the singing. Gordon College in Beverly Farms has a student body of 350; who major in philosophy, psychology, English, Music, History, Greek, Foreign language Bible, Christian Education and primary and secondary education. The Choir members from nine dif-

ferent states plan to tour Toronto, in 1957 and 1958 plans tentatively include cities in Massachusetts New York, Michigan, Indiana Ohio, Pennsylvania, Connecticut and New York City.

The Program of music for the evening of December 8, at the Grange Hall includes:

In Mirth and in Gladness - Nieder Trail Before Pilate - Ukrainian Canticle.

Lost in the Night - Finnish Folk Song.

A Virgin Unspotted - Billings.

TED AND BABE

Two of the greatest starts in baseball history, Babe Ruth and Ted Williams, started their careers with the Red Sox, is the boast of the Massachusetts Department of Commerce.

OLDEST INCORPORATED

The two oldest incorporated schools in the United States, Phillips Andover Academy, 1778 and Abbott, 1829, are located in Andover, Massachusetts, the Massachusetts Department of commerce reports.

As of a late date, more than \$300 million from individual investors was involved in the planning and construction of atomic electric plants and related research. Forty-four electric companies were participating in building nine reactor plants with a capacity of over 1,000,000 kilowatts.

As My Garden Sleeps

By Mari Gold

There are not many garden hints for December, but there are a few things which can still be done.

From now until snow falls you can do any filling or grading. Manure for next year's garden should be purchased now as it improves with age. Protect manure from excessive rain fall, which will wash out valuable food elements

Give the compost heap a final turning over, tangled weed and grass patches make snug winter harbors for field mice. It is wise to burn out these places, but be sure to choose a windless day so as to keep the fire under control.

Lilacs, Poplars and most smooth backed trees, including all fruit trees are subject to attacks of scale and should be sprayed

with one of the soluble oil mixtures from now until March.

Now is a good time to get rid of poison ivy. It can be handled best now as the oil which causes the skin irritation is most nearly absent. It is however, still advisable to wear gloves. Loosen the soil around the crowns and pour a weed killer well over it.

With Christmas just a few weeks off, everyone will be thinking of decorations. It may surprise you to learn of the amount of decorations you can make from materials found in your own yard. When you clip from your evergreen trees, take branches from the thickest part of the tree, cutting one here and there. Skip around over the tree so it won't look lopsided or full of stubby branches. If done in this manner, the tree will still hold its shape. This also applies to broadleaf evergreens such as Laurel, Myrtle, Bittersweet etc. When taking any clippings, just keep in mind that you want the tree to look well next spring when it will be needed to add beauty to your flower garden. The only evergreen which I personally think should be left alone is the Hemlock, it makes beautiful soft wreaths and other decorations, but it will drop its needles very quickly after cutting. To my way of thinking, it is a waste of time to make anything from Hemlock.

Our native white pine is another which is not advisable for use in decorations. It dries out very quickly. It will hold the needles, but they will turn brown and full of rawness which is highly inflammable. If you do use the white pine, use it only out of doors. There are plenty of cones this year. As the trees bear heavier some years than others, it might be wise to gather a few extra cones for next years use.

The cones, especially of the native pines tell the weather. If it is going to be cold and wet, rain or snow, the cone will shut up tight, but if clear cold or sunny weather are in view, the cones will open to their fullest capacity.

For folks with fire places, cones may be colored with a chemical to produce a colored flame, burning until the cone is consumed. Colors show up more effectively if the fire is burned to glowing embers before the cones are ad-

ded. These chemicals may be sold in your local hardware store. For a turquoise flame, use copper chloride, for blue-green, use copper sulphate, blue barium chloride, red strontium chloride, orange, calcium chloride. Use a wooden bucket or an earthen crock. Dissolve the chemical, one pound to one gallon of water, this will treat one half to three quarters of a bushel of cones. Place the cones in a porous bag such as an onion bag, dip them in the solution, (such a method saves your hands) Remove the cones, drain them a bit then place them on paper. Allow them to dry overnight. Re-dip them and dry again. Now they are ready to use or to be given to your city friends as a Christmas present. It is attractive to use a red cheesecloth stocking as a container for them.

If you haven't evergreen material of your own to use and you go out looking for it, it is best to get permission from the land owners before cutting trees. If permission is granted, cut from the strangers tree the same as you would from one of your own if you had any. Just because you may be in the woods or along a country road does not give you the right to hack a tree all up and leave it as an eyesore come spring.

HIGH SCHOOL PRINCIPAL TO ATTEND FORUM

New England's educational strength will rally in Boston on Friday, Dec. 6, for the 72nd annual meeting of the New England Association of colleges and Secondary Schools.

College admissions, science teaching, and the challenge of Russian education will be high on the agenda.

More than 1,000 delegates will represent 100 colleges and specialized institutions, 148 independent schools and 461 public secondary schools.

Representing Wilmington will be the principal of Wilmington High School, Bernard P. McMahon.

LIONS CLUB REACHES GOAL IN EYE RESEARCH

King Lion Cushing wishes to announce that the Wilmington Lion's Club in their endeavor to aid the State Eye Research program, has raised and turned over to the state Lions Committee the amount of

\$400., their quota for the year.

These funds were made available by the recent Lions Club Bulb and Broom Drive, and Mr. Cushing wishes at this time to thank you, the public, for the part you played in helping the club to raise the full quota, by your purchase of the bulbs and brooms that the club members distributed throughout the Town.

COMMONWEALTH OF MASSACHUSETTS LAND COURT

(SEAL) Case No. 25992 Misc.

In Equity

To Pearl H. Hersom of Wilmington, in the County of Middlesex and said Commonwealth; Milton Glanz, Trustee of Berjen Investment Trust, having an usual place of business in Boston, in the County of Suffolk, and said Commonwealth; Harold L. Fudge of Medford, in the said County of Middlesex and said Commonwealth; and to all whom it may concern: Construction Loans, Inc., a duly existing corporation having an usual place of business in Malden, in the said County of Middlesex, and said Commonwealth, claiming to be the holder of a mortgage covering real property in said Wilmington, Lot No. 29 on a Subdivision of land in said Wilmington, Dana F. Perkins & Sons, C. E.'s recorded with Middlesex North District Registry of Deeds, Plan Book 88, Plan 80A, given by Pearl H. Hersom to the plaintiff by instrument dated April 17, 1957, recorded with said Middlesex North District Registry of Deeds, Book 1368, Page 172, has filed with said court a bill in equity for authority to foreclose said mortgage in the manner following: by entry and possession and exercise of power of sale.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 as amended and you object to such foreclosure you or your attorney should file a written appearance and answer in said court at Boston on or before the Thirtieth day of December 1957, or you may be forever barred from claiming that such foreclosure is invalid under said act.

Witness, JOHN E. FENTON Esquire, Judge of said Court this twenty-fifth day of November 1957.

MASS. BANK FACT:

 For all banks throughout
 the country, business and
 personal deposits represent-
 ed 85 percent of total de-
 posits, in 1956, the Massa-
 chusetts Bankers Association
 reports. The remainder was
 divided almost equally be-
 tween deposits of govern-
 ment units and banks.

MASS. BANK FACT:

 The total amount of instal-
 lation type personal and con-
 sumer loans held by the na-
 tional banks at the end of
 1956 was \$7.5 billion, up
 \$777.5 million from the end
 of 1955, the Massachusetts
 Bankers Association reports.
 The holdings of these
 types of installment loans
 by national banks represent-
 ed 23.7 percent such loans
 held by all financial institu-
 tions and retail outlets of the
 nation.

SAFETY TIP: One of the
 major causes of highway ac-
 cidents is passing with too
 little space. When you over-
 take another car on the high-
 way, be sure you have plenty
 of space ahead. And be sure
 your car is capable of getting

WILMINGTON FIREMEN'S ASSOCIATION

W. F. A. HI-LIES

Once again we come to you and this time I would like to ask each and every one who follows this column to pass it on to someone else, and ask that they also learn the proper manner in which to report a fire to this department. Due to the fact that we have been trying for a long time now to get the town to do something about its duplicate street names, and so far nothing has been done to help the situation, I would like to ask you, no matter how foolish it may sound or seem to you, that whenever you call for assistance from your fire department, try to be calm and give us something definite to go by. Last week we had a call for a fire in a house and it was received as Park St. As a result, two pieces of equipment were dispatched to Park St., which happens to be in North Wilmington, a second call was received at the station on the same fire, and the correct location was given. It was Parker St., which, by the way, runs off Lowell St. We were lucky that the fire was of such a nature that it was confined to the cellar and not too serious a nature because if it had been a real active fire, a party's home might have been lost, or possibly someone injured or lost in such a fire. Therefore, please try to remember when you call to report a fire please do not hang up in your excitement before the department knows what street it

is on, even if, like I say, it may sound foolish to you to have to say "Parker St., off Lowell St." or some other such street. For example, we have three Harri's Sts. in town, on opposite sides of the Town; two Park Aves.; two Parker Sts. and Rds.; three Pine Sts.; two Mass. Aves.; a Harvard Rd., a Harvard Ave., 1 plain Harvard St., Road, or Ave., take your pick. This is just to mention a few of the many duplicates that exist throughout the town and usually in most cases they are on opposite sides of the Town. Another good example is that of the name Cedar. There are 5 listed, three with no designation as to Ave., St., or Rd., one is Ave., and the fifth is Cedar Crest Rd.; it seems to me that something could be done about such a situation as this.

Well, I imagine I will hear from this, so, for our own protection, let's get on the powers necessary and see if something can't be done.

Happy to report that Ray's Mrs. is coming home, best wishes Kay, also understand Don's Mrs. has been ill. Sorry to hear it Don, and hope by this writing Theo is up and about again.

Some of the boys went to Reading the other night for the Wardens meeting and from all reports a good meeting was enjoyed by all in attendance. Our own raffie committee reports that things are going nicely.

Another note I would like to mention is that if anyone has any outside Christmas lights they will not be using this Christmas some of us here at the station would be only too happy to pick them up. We are going to try and dress the station up better than last year, and would appreciate any gifts of such lights.

Well, I guess that will do it for now, so until next week, I'll be seeing you

Twin lavatories add extra convenience . . . especially when they're **AMERICAN-Standard**

Stars of this beautiful bathroom—featuring American Standard plumbing fixtures—are the beautiful Companion lavatories. Made of easy-to-clean, non-chipping, genuine vitreous china, these lovely lavatories will give you many years of double convenience, double beauty.

Fitting partners for the Companion lavatories are:

THE MASTER PEMBROKE BATHTUB and THE COMPACT TOILET

The Master Pembroke is a big, roomy tub—5½ feet long. It is made of rigid cast iron and finished with a beautiful satin-smooth enamel that will retain its beauty through long use.

The smart Compact toilet is made of stain-resistant, genuine vitreous china and features a quiet, thorough flushing action.

All American-Standard plumbing fixtures are available in exciting decorator colors in addition to sparkling white. Top off your bathroom with colorful Monogram fittings . . . they can be engraved with your own initials and come with firm-grip, translucent handles in clear or five colors.

WILL WILMINGTON WEAR CHRISTMAS DRESS THIS YEAR? NOT UNLESS OFFICIALS SEE THE LIGHT IN TIME

Continued from Page 1

group. He told us that the members of last year's committee feel that the donors of the past years have done their share and as many of them were not actually merchants it is not fair to expect the same people to donate every year on the pretense that the lights "will bring them more business". For instance: The Charles River Breeding Laboratories made size-

able donations in the past. The lights could hardly have brought them more business and is only ONE such case. Our contact told us that at least fifty percent of all donors were not Wilmington Center merchants.

Town officials have been asked to supply approximately one hundred dollars which will pay the cost of the electricity to be used. They have also been requested to supply men from various town departments (many department have slowed down to a crawl with the passing of summer and before

the actual onset of winter). One of our town departments has the perfect truck for such work as would need to be done. However, our worthy officials do not feel that it would be fair for our taxpayers to pay to light the square for the merchants.

It would appear that if you wish to see Wilmington's Christmas lights this year, you will have to make your way down the stairs of Griffin's Hardware Store and peek, as this year our lights will be "hidden under a barrel".

Perhaps we could do something

about it. Do you, the people, feel that the officials have the right to deprive us of our lighting for the sake of one hundred dollars and a few man-hours? Perhaps if enough noise were made about this disgraceful instance, and if the noise were loud enough to be heard at town hall, some of our "head in the clouds officials" would come down enough to "see the lights".

GROWING

A growing business in Massachusetts is motion picture production, according to the Massachusetts Department of Commerce. The most recent study reveals 11 production firms grossed \$582,000.

More than 100 women hold major executive positions in commercial banks in Massachusetts, the Massachusetts Bankers Association reports. A survey shows that there are more opportunities for women in commercial banking than ever before in our history.

PRONOUNCE IT

A real tongue twister is Lake Chagoggagomanshau gagigchaubunagungamaug in Webster, Massachusetts. The Massachusetts Department of Commerce Research Division traced the origin to native Indians, meaning "Meeting place of Peace" a neutral ground where warring tribes entered into temporary armistice to "talk things over."

DID YOU KNOW - that the U.S. Army provides the largest single job market, the most extensive range of job opportunities, technical training in such fields as electronics, mechanics, radar, finance, medicine and numerous other career positions? Good jobs with free training.

FULL SUPPLY

The quality and quantity of water in Massachusetts was cited as a principal reason for research firms locating in the Bay State, the Massachusetts Department of Commerce, has been informed.

At least 5,000 years ago, great cargoes of timber were shipped from Lebanon to Egypt. The cedars of Lebanon also furnished some of the biggest beams for the great palaces of the Achæmenid kings at Persepolis in Persia, as well as wood for King Solomon's temple. If the ancients had practiced forest renewal, dozens of tree crops could have been in the intervening centuries. Instead, the land was denuded.

In contrast, the United States provides 40 per cent of the world supply of timber but grows more than it cuts at a progressively higher rate.

SELECTMEN CLASH WITH EDISON OFFICIALS

Continued from Page 1
Property Transactions Division, apparently were requesting information about purchasing tax-title land that lies in the way of the proposed route of the lines, but before their purpose became entirely clear, they were snowed under by a barrage of questions from the Selectmen.

Apparently piqued because they were the last to be informed of the Edison Company's plans, at least officially, the Selectmen let the gentlemen know, in no uncertain terms, their disapproval of the whole proposal. The first word the Town officials had of the matter came through private citizens who had been approached by the Edison men.

The route of power line would begin at the Burlington line, cross the Pipes property on Chestnut St., the Spinazola land on lower Main St., and then turn sharply and cross Main St., next to the bowling alley, then proceed across the National Polychemical land and enter Woburn at the Woburn Process Co. The Edison men explained that in this way they would only have to purchase one house, (the Blanchette property next to the bowling alley), and in this manner, keep costs down.

The strongly worded protest of the Selectmen, (with Charles Black the most vehement of the group, closely followed by Frank Hagerty,) echoed over and over the phrase, "You want us to take the undesirable part of the deal

while Woburn gets the Sub-Station."

Mr. Black wanted to know if the company had filed a formal request with the town, and when the answer was no, why they hadn't. Mr. Black pointed out that the Company does not service the Town, although they sell power to the Reading Municipal Light, who in turn sells it to Wilmington. Mr. Black said that we already had two power lines which did not serve the town cutting across it. (The New England Power and the Tennessee Gas).

Frank Hagerty called the proposed lines, "a permanent scar across our best industrial zone". Referring to the zoning-by-laws that cost the town a good deal of money he said, "This will be monstrosity that will break the whole thing up."

Town Counsel Phillip Buzzell was present at the meeting, and asked whether the Edison Co. had recorded deeds on any land. The Company officials said they only had verbal agreements with the owners. Representative Frank Tanner was also present at the meeting, and agreed to obtain more information on rights of both parties.

Mrs. Wavie Drew asked, "Why didn't you talk to the Town before you talked to anyone else?"

At one point Mr. Black remarked, "The Town Manager may have something he'd like to sell you on, but I don't think that it is for the best interests of the Town". Mr. Black also said, "If you put your sub-station here we will withdraw all obligations."

Nicholas DeFelice, chairman of the Board, remarked that all industrial land in Reading and Woburn was used up and that Wilmington was the next stop for industry.

Town Manager Joseph Courtney said, "At the time that the Town was contacted the preliminary negotiations had already been carried out. The layout does not appear to be in the best interests of the town. Can you carry the line through and near the Wilmington Woburn line?"

At first the Edison men did not appear to think that it would be feasible, financially, to use the route suggested by the Selectmen, but after being shown the land on the ariel photos of the Town, they seemed to be willing to at least consider the proposal.

The Selectmen motioned to advise the DPU that they did not go along with the Edison route.

WEST ST. CHANGES ARE TURNED DOWN BY THE COUNTY

Disagreement by the Town and the County over the proposed relocation of West St., running from Lowell to Woburn Sts., has led to abandonment of the entire program under Chapter 90.

Town Manager Courtney announced Monday evening that the County and State had disapproved the plan submitted by the Town, and the Town had disagreed with the tentative proposals of the County. One of the County plans would have taken West St., up what is now Ayotte St., the other

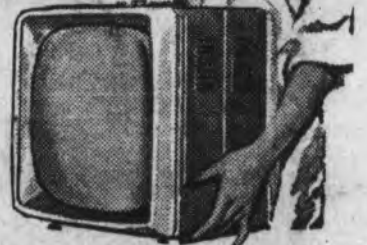

would have required relocation on both sides of Lowell St. The Town proposal would have left the street essentially the same, but widened it considerably in spots.

Instead of doing West St., work is now underway on Park St., another of the town's narrow, curvy roads. Trees have already been cut down preparatory to widening the road.

(Already one resident is complaining about the layout of the road, and the loss of his trees!) West St., the Town Manager re-

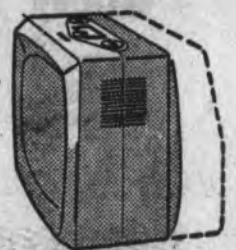

ported will be done later under Chap. 81. Mr. Courtney reported that it probably be a 32 foot St., rather than the 50 feet requested by the County.
